CERTIFICATE

Internship Policy

This is to certify that, As per our Curriculum, we have implemented the internship for all the students in summer and winter vacation period. We have registered in portal of Internship and we have suggested the students to register to get Internship program.

The Industry institute Interaction Cell (fIIC) of Modern Polytechnic College supports student to undergo internship program during their winter/summer vacation. This Is In-line with the AICTE Model Internship guidelines to organize Internship program for Diploma students at industry/Institute.

The internship program is offered to students with the following objectives:

- To expose Technical students to the Industrial environment.
- To provide possible opportunities to learn, understand arts sharpen the real time technical / managerial skills required at the job.
- To expose students the Current technological developments relevant to the subject area of training.
- Learn to apply the Technical knowledge in real Industrial situations.
- Gain experience in writing Technical reports/projects.
- Expose students to the engineer's responsibilities and ethics.
